

Four ADVISA Clients Honored as Best Places to Work in Indiana

Congratulations to our clients who were recently honored on the list of “Best Places to Work in Indiana”:

Bowen Engineering Corporation

ExactTarget

Columbus Regional Hospital

Schmidt Associates

Bowen and Columbus Regional have the distinction of having made the list each of the 4 years since the award began.

The “Best Places to Work in Indiana” is a program managed by the Indiana Chamber of Commerce that honours the top companies in the state, as determined through employer reports and comprehensive confidential employee surveys. (Learn more at <http://www.bestplacestoworkin.com>.)

Being included on the list is a mark of distinction because it indicates that an organization has a positive work culture which includes respect, communication, opportunity and teamwork.

At ADVISA, we believe such workplaces don't happen by accident. They are the result of intentional actions by executives and managers to create confident organizations. We applaud the recognition these clients have earned.

Congratulations!
